Canvas Bag Offset Printing

Canvas is a dense and heavy plain-woven fabric, thus it has a significant amount of sturdiness. By having a canvas bag, you no longer have to tolerate with bags that are easily worn out.

Product Characteristics

It's Ideal for Promotion

Have a large print area, so you can really go to town with your design.

Reusable. This maximise your brand exposure as it is used again and again.

Perfect for exhibitions, giveaways and even for your daily shopping.

It's Affordable

Economical fabric to produce, making it highly affordable even for smaller businesses and advertisers.

From SMALL (100 units) to BIG (up to 10,000 units), we handle well.

It's Durable

Made from 10oz cotton material. The higher the Oz the thicker the product.

The gusset is double stitched to provide extra strength.

It's Eco-Friendly

Made from eco-friendly, natural cotton canvas.

Environmentally friendly printing ink imported from Japan.

It's Washable

Canvas requires no special care. Just make sure you turn inside out before washing, that's all.
